Paul Adalian Named University Librarian

Mr. Paul T. Adalian, Jr., currently the Assistant Dean for Information and Instructional Services at Cal Poly San Luis Obispo, has been selected as CSUCI's first University Librarian. Mr. Adalian received a B.A. degree in History from Stanislaus State College, an M.A. in History from Loyola University of Los Angeles, and an M.L.S. degree in Library Science from Syracuse University in New York.

Mr. Adalian has been at Cal Poly SLO for 24 years, first as Head of the Reference Department, later as Interim Associate Dean, and presently as Assistant Dean. Prior to his service at SLO, Mr. Adalian was Head of the Reference Department at San Francisco State University, from 1976 to 1978.
